

## **Corruption & Anti-Bribery Policy Statement**

The purpose of this policy is to establish controls to ensure compliance with all applicable anti-bribery and corruption regulations, and to ensure that the company's business is conducted in a socially responsible manner.

Policy statement Bribery is the offering, promising, giving, accepting or soliciting of an advantage as an inducement for action which is illegal or a breach of trust.

A bribe is an inducement or reward offered, promised or provided in order to gain any commercial, contractual, regulatory or personal advantage.

It is our policy to conduct all of our business in an honest and ethical manner. We take a zero- tolerance approach to bribery and corruption. We are committed to acting professionally, fairly and with integrity in all our business dealings and relationships wherever we operate and implementing and enforcing effective systems to counter bribery.

We will uphold all laws relevant to countering bribery and corruption in all the jurisdictions in which we operate. However, we remain bound by the laws in Jordan in respect of our conduct both at home and abroad. If we are found to have taken part in corruption, we could face an unlimited fine, be excluded from tendering for public contracts and face damage to our reputation.

We therefore take our legal responsibilities very seriously.
